STATINTL

Administration Building Plant
Washington 25, D. C.

Dear Bob:

Now that the transfer of the former GPO-State Service printing plant to the Agency has been successfully accomplished, I want to express my appreciation to you for your cooperation and assistance. I am especially pleased that you have come with us as an employee and that so many of your team of skilled workers have also transferred to the Agency.

As you know I am well aware of the importance of this plant to the Agency. I am also aware of the fine record of performance which you and your fellow workers bring with you. I look forward to a continuation of this excellent support and to the accrual of the many mutual advantages which we expect to result from the merger.

Sincerely,

LS/
